# PLACEMAKERS LAUNDRY

Choose PlaceMakers Laundries whether you are renovating or building. A PlaceMakers Laundry is designed to bring together excellence in design and materials to create a beautiful functional laundry that suits your lifestyle and budget.

The same great features from our Kitchen range can be enjoyed in your Laundry, transforming this work room into an enjoyable place to get chores done!

- 15 year warranty on cabinetry using ISO14001 environmentally certified moisture resistant board, a stable board to resist the higher humidity levels in laundries.
- Hettich soft close cupboards & drawers using European made soft close hardware, backed by a lifetime warranty on their hardware.
- Cabinetry made in New Zealand — crafted to ensure precision joinery.
- Free in store design service — our design specialists will listen and take time to understand your needs and transform them into a beautifully realised functional laundry.
- Choose from the Designer, Lifestyle & Essential ranges that each bring together a harmonious combination of finishes and features to suit your budget — refer to pages 44–45 for the full range of finishes and bench tops.
- Ask about our Installed Solution — our installers ensure your finished laundry cabinetry is installed with precision & care.

Enquire online or instore about the full laundry offer including metal laundry tubs, workstations and appliances.

## OPTIONS

# RAILS, DRAWERS, HAMPERS, IRONING BOARDS

01

### Hanging Rail

Drying Rail comes standard with the over cabinet, it is recommended that this cabinet is placed over the sink bowl and drainer to capture any excess water.

02

### European Made Hettich Atira Soft-close Hardware

Some of the hardest working parts of your laundry are drawer runners and door hinges with countless openings and closings in the life of the laundry. Hettich quality ensures these last the life of the laundry backed by a lifetime warranty on their hardware.

03

### Pull Out Ironing Board

Fitted to the top drawer in our laundry drawer units, the ironing board is pulled out of the cabinet body on a telescoping extension and automatically swings up to working height. The unit comes with ironing board cover and the metal is powder coated steel in white.

04

### Pull Out Hamper

Hidden Laundry Hamper with air vents to reduce moisture. Install multiple hampers side by side for separating laundry. Metal gauge — 1.2mm zinc treated steel for strength and powder coated for durability.

# MODULAR LAUNDRY RANGE

The ready made modular range has many of the features of the custom cabinetry range but also offers the convenience of coming fully assembled for ease of installation with end panels and toekicks included in the units.

This range is a collection of cabinetry components that come in set sizes that are not customisable.

Available in 12 cabinetry colours and with two benchtops options, it is easy to put together an affordable, stylish and functional laundry.

This cabinetry range is produced using Melteca® board. Melteca® has been awarded the Environmental Choice New Zealand certification\*.

\*This is an independently run ecolabel owned by the Ministry for the Environment, distinguishing the greenest products in the New Zealand market.

## ABOUT THE BRANDS

### ADESSO

Adesso brings quality products to the New Zealand market, offering Kiwis timeless European style at an affordable price. Choose from a diverse collection of bathroom, kitchen and laundry products that tick all the right boxes: style, affordability, functionality, and performance.

Designed in Italy and subject to strict testing procedures, Artusi products offer durability, style, and performance. Add a touch of Italian flair to your kitchen without compromising on modern functionality or sleek design.

A New Zealand owned company, Burns & Ferrall imports a diverse selection of kitchen appliances and equipment from a wide range of brands – with options to suit all budgets. Founded in 1948, Burns & Ferrall has been shaping New Zealand kitchens for nearly 70 years.

Dorf tapware is renowned for its style, functionality, and reliability. Dorf invests heavily in product development and testing to ensure all its kitchen fittings are impeccable in both style and performance.

Formica® laminate is perfect for kitchen benchtops. Durable, low maintenance and stylish, it's available in a variety of contemporary colours and patterns, including stone and granite imitations. Select colours also come with antimicrobial properties.

German design is renowned for durability, performance, and functional style – and Hettich is no exception. Hettich technology is developed by a 6,000-strong team, ensuring it exceeds expectations in design, practicality, and appearance.

Mardeco® International is a specialist importer of designer architectural hardware and stocks a range of stylish kitchen products from around the world. Choose from a sleek collection of kitchen handles and knobs.

### PRIMESTONE

Prime Stone is a high-quality engineered quartz surface, ideal for kitchen benchtops. Available in a selection of fashionable colours, it will look great alongside melamine or veneer cabinetry. All Prime Stone comes with a full 10-year NZ warranty.

### Raymor

Raymor specialises in classical tapware, basins, and accessories – ideal for those seeking contemporary kitchen fittings that will stand the test of time. Trends come and go, but Raymor products are designed with the long-term in mind.

Caesarstone® is New Zealand's trusted name in premium quartz surfaces for benchtops, countertops, splashbacks, kitchen islands, bathroom vanities & more. The exceptional beauty, strength and durability of quartz ensures a product that is far superior to natural stone and other manufactured surfaces. Created from up to ~90% natural quartz aggregates, organic pigments and enhanced polymer resins, Caesarstone® provides a surface with exceptional properties of heat, stain, scratch and chip resistance.

### MELTECA®

Proudly New Zealand made for over 30 years, Melteca® panels offer you the perfect solution for creating exceptional interior spaces. We're inspired by international trends and local lifestyles so you can trust that our highly durable, low maintenance and easy to clean range of decorative panels are the ideal choice. For use at home or at work, Melteca® covers the design spectrum. It's available in a wide variety of colours and finishes, crafted to work across a range of interior applications like cabinetry and shelving, through to commercial furniture and wall linings.

### Laminex® Laminate

Inspired by shape and form, combining sophistication with modern colours and finishes, Laminex™ Laminate reimagines the classics whilst embracing the trends, with the durability and reliability to stay looking sleek and contemporary in the most demanding interior environments. Laminex™ Laminate offers the best of the best in terms of décor design, finish and colour – giving you the variety and reliability you need in one sleek collection. Including a vast range of our most loved decors as well as some modern, new additions making it perfect for all your benchtops, countertops, doors and work surface solutions.

For those important finishing touches that really make it your home — have you seen our Kitchen Tapware, PlaceMakers Kitchen Sink Bowls and PlaceMakers Hettich Hardware brochures.

### PlaceMakers quality standards

This guide shows products made locally and all over the world. We work with our suppliers to ensure that they all meet NZ standards as well as our own exacting requirements. We always strive to give you the best possible price but never at the expense of quality.

Prices are subject to change at any time, valid as at November 2020. Products featured may not be stocked in all stores but can easily be ordered in for you. Price varies on alternative size, colour and style options, contact your local store for details. The colour, texture or finish of these products may differ slightly from that advertised due to the printing process.

Pricing excludes installation and delivery unless specified. Extra features and any additional options are priced separately.
